

June 29, 2020

Dear Parishioners,

Unfortunately, our parish website went down (malfunctioned) over the weekend. Consequently, some of you were not able to access Eventbrite to reserve seating for the weekend Masses.

We apologize for any difficulties that this caused. The website is working again (online) as of this morning.

The problem we had was due to several factors:

1. The web site, host agency, was having problems over the weekend.
2. Our computer equipment (servers) is several years old.

Because of the current pandemic our computer capabilities are being taxed in a way that has never happened before, live streaming Mass, Eventbrite reservations for Mass, multiple Zoom meetings, Facebook communicating etc.

We are working with our IT company to, as best possible, prevent this from happening again.

We appreciate your patience.

Sincerely,

A handwritten signature in black ink, appearing to read "Fr. John O'Connor, O.F.M.". The signature is written in a cursive, flowing style.

Fr. John O'Connor, O.F.M.
Pastor
