From the Friars

Please see below a statement from Bishop Burbidge on Pope Francis's Words Regarding "civil unions".

Parishioners of the Diocese of Arlington have shared their concerns and questions regarding reports of the Holy Father's comments in a recent documentary.

Contrary to some reports, Pope Francis did not endorse "gay marriage" or in any way change the Church's constant teaching on human sexuality. Marriage is the permanent, exclusive, and fruitful union between one man and one woman. Human sexuality is designed only for the chaste union of man and woman in marriage. These are unchanging and unchangeable truths of the human person known to us by both natural law and divine revelation. The Pope did not and would not teach otherwise. Indeed, he has repeatedly affirmed these truths throughout his pontificate.

Again, contrary to how they have been depicted, the Holy Father's comments in a documentary do not constitute a change in the Church's teaching. Nor should any reference to civil unions be understood as the Church accepting homosexual behavior as morally licit. Pope Francis' clear concern is that those with same-sex attractions be treated with respect, compassion, and sensitivity.

May we be renewed in our commitment to pray daily for the Holy Father, who bears the extraordinary burden of caring for the universal Church during these difficult times.

Sincerely,

Fr. John O'Connor, O.F.M.

There is a book located in the Blessed Sacrament Chapel next to the Tabernacle for you to write your own prayers of petition. During the *Prayer of the Faithful* during weekend liturgies, an intercession will call to mind those prayers in a general way. In this manner, the public prayer of the church is bound to the many prayers of the faithful who live in the body of Christ!

Did you know that Fr. George has a blog? His first post was in September 2011, and in the ensuing years has posted more than 2,600 times! The blog, as the name implies, captures the musings of a Franciscan friar – www.friarmusings.com. The blog is the home to his Sunday homilies, a reflection from daily Mass here at St. Francis, scripture commentaries he has written over the years, and a lot of posts where he is musing over some topic that has caught his interest – most often about the spiritual life and our Faith – but not always – consider his post on "**Rubber duckies at sea...**".

Some of the posts have been grouped together for easy reference, e.g., Francis of Assisi (his life in 35 posts), Belonging, Gratitude, Stewardship, and full commentaries on the gospels of the Sunday lectionary (see the menu on the picture below). But most of the posts are musings.

The blog is followed approximately 970 people – mostly from the USA, but there are readers as far away as Australia and India. You are cordially invited to follow Fr. George's blog (www.friarmusings.com). If interested, please go to his blog, enter your email, and click "**Follow and Muse.**" Each post will be delivered to your inbox. Easy as that.

A Different Kind of Political Engagement

September 2020

Election Day is November 3. In *Forming Consciences for Faithful Citizenship* (www.faithfulcitizenship.org), we and our brother U.S. bishops noted, “Unfortunately, politics in our country often can be a contest of powerful interests, partisan attacks, sound bites, and media hype. The Church calls for a different kind of political engagement: one shaped by the moral convictions of well-formed consciences and focused on the dignity of every human being, the pursuit of the common good, and the protection of the weak and the vulnerable. . . . We are called to bring together our principles and our political choices, our values and our votes, to help build a civilization of truth and love” (no. 14).

To grow in holiness, a question each one of us must answer is: How will I respond to this call for a different kind of engagement? This question is key as we approach Election Day, as well as every day before and after it, as faithful citizens.

In a pre-election letter on voting decisions we issued last year, we offered three main points:

- **Many issues are important.**
- **Not all issues have equal moral weight.**
- **Protecting life is paramount.**

As bishops responsible for the pastoral care of the faithful in our two dioceses, we re-offer these points here for your continued prayerful consideration, as an essential framework not only for the critical voting decisions that must be made each year but also for the vital prayer and advocacy that must be done on a constant basis.

Whenever human dignity is at stake for any of our brothers and sisters in the human family, we must be attentive and engaged. “[R]espect for the dignity of every person . . . is the core of Catholic moral and social teaching” (*Faithful Citizenship*, no. 10).

Our moral obligation to oppose intrinsically evil acts – which are “always incompatible with love of God and neighbor” (*Faithful Citizenship*, no. 22) – “has a special claim on our consciences and our actions” (no. 37). Of these, abortion is the “preeminent priority because it directly attacks life itself, because it takes place within the sanctuary of the family, and because of the number of lives destroyed” (*Faithful Citizenship*, Introductory Letter). Since the 1973 *Roe v. Wade* decision, there have been more than 61 million abortions in our country. Other issues of grave moral importance “undercut the dignity of the human person” (nos. 22, 23). Our priority must be to protect life to the fullest extent possible.

For more on the principles involved in voting with a well-formed conscience, we encourage you to read paragraphs 34-37 of *Forming Consciences for Faithful Citizenship* (www.faithfulcitizenship.org). For a side-by-side comparison of what the two major-party Presidential candidates have said or done on a wide range of issues of importance to Catholics, visit www.vacatholic.org. The side-by-side comparison was compiled jointly by a number of state Catholic conferences, including the Virginia Catholic Conference.

On November 3, please vote. Every day, please seek and live out the “different kind of political engagement” that will provide a clear example to others of the civility and consistent concern for the common good we are all called to embrace.

When Jesus saw the crowds of people he went up to the mountainside gathered his disciples around him and began to teach them. This lesson in love has come to be known to us as the great "Sermon on the Mount" or "The Beatitudes."
